

Supporting Volunteers Day

22nd Feb 2012 | 9:15 AM - 4:00 PM | Billingshurst Village Hall, Billingshurst

More and more of us are relying on volunteers to deliver our services, and demand for those services is increasing, so it is even more critical that you attend this annual event. You will be able to select three of the following workshops:

- Designing & marketing your volunteer opportunities effectively
- Engaging ex-offenders in volunteering
- Measuring the impact of your volunteers
- Managing highly skilled volunteers
- Working with young volunteers
- Handling difficult volunteer situations
- Supporting volunteers with mental health needs
- Motivating your volunteers

Workshops begin at 10:30am, 12:45pm and 2:30pm.

You will also have the opportunity to reflect on the volunteering environment more generally during the first session of the day and join in a lively debate. The cost of the event is £15 including lunch.

To book follow this link to our online booking page:
